Christmas Pudding Tree Decoration

Use running stitch throughout and the picture as guide:

- Sew the lower edge of the custard to the front of one brown pudding circle.
- Sew a scattering of black and red 'fruit' on the front pudding, below the custard.
- Place the 2 brown puddings together and using white thread, sew round the top, custard layer, trapping the cord between the layers at the top of the pudding.
- Sew the holly leaves in place by stitching 3 small red beads (or french knots) through all layers.
- Using black or brown thread, stitch round the brown part of the pudding, Leave a small gap for the stuffing.
- Stuff lightly and complete sewing round the pudding.

Cord or embroidery thread; Knot the ends together and sew between the 2 brown layers

Fruit, use small beads in red and black or stitch French knots
